ABOUT KATIE

A LOVER OF RADIANT BEAUTY,
MUDDY WALKS & THE ODD
DOUGHNUT

HELLO! LOVELY TO MEET YOU.

Hi! I'm Katie.

I'm a Bridal Hair and Makeup Artist, a mum of two beautiful boys, and a lover of natural, radiant beauty that feels effortless and true to you. Throughout my career I have worked in many areas of the industry, with celebrities on red carpets as well as in film and live television, and will bring my experience and expertise to your big day.

My hairstyles are always soft, romantic, and designed to last, while my makeup enhances your features so you feel glowing, polished and confident - but never overdone.

I am passionate about skin care, (I can talk your ear off with recommendations) and know the power of great skin prep to make sure you look and feel incredible all day long. Truly, I am an artist at heart and I love nothing more than making people feel beautiful inside and out.

Have a look through my brochure to see if you think we're a good fit! ♥

AMPERSAND ARTISTRY

WHY AMPERSAND

Ampersand Artistry was born from the idea of connection.

The ‘&’ symbolises the harmony between hair & makeup, as well as the relationship I build with every bride I work with.

My approach is rooted in refinement, effortless, and calm professionalism.

I believe your wedding morning should feel like more than just ‘getting ready’ ...it’s about creating space for you to feel supported, confident, and at ease.

My background in television and editorial hair and makeup has given me the knowledge and experience to create looks that are timeless in person, flawless in photographs, and designed to last all day.

Every product I use has been carefully curated, and each bridal preview is personally tailored so your bridal style feels polished, radiant, and completely your own.

My mission is to make every bride I work with to feel comfortable, confident, and completely themselves.

“KATIE WAS WONDERFUL - KIND, THOUGHTFUL AND
MADE ME FEEL TOTALLY PAMPERED AND READY TO
ENJOY THE DAY”

THE EXPERIENCE

WHY WORKING WITH ME IS DIFFERENT

Your wedding morning is about so much more than hair & makeup.

From the moment we meet, my priority is making you feel calm, cared for, and completely at ease.

At your preview appointment we will work together to create your perfect personalised bridal look that is true to you.

YOUR MORNING IS YOUR SANCTUARY

LET'S SET THE TONE

On the day itself, I'm not just your artist. I'm your advocate.

Whether that's perfecting your hair, buttoning a dress, or cracking the odd bad joke to ease the nerves, my role is to create a calm, supportive atmosphere where you feel looked after, so you can step into your day with confidence, joy, and the feeling of being truly yourself.

KIND WORDS FROM MY BRIDES...

PIPPA - 2025 BRIDE

Katie was amazing from the first trial down to the finishing touches on the day.

I had so many compliments on my hair and makeup and she made me feel amazing.

I would highly recommend Katie for your wedding or event.

She is the most talented make up artist I have met!

HANA PATTERSON - 2025 BRIDE

I can't recommend Katie enough. Everything was perfect from the trial to my wedding day. She was open to suggestions as well as able to make recommendations.

Not only did she create amazing hairstyles and makeup for myself and my bridesmaids, but also made the whole morning of my wedding day very relaxed and made sure we all were prepared in time for the big day. Thank you so much, Katie!!

FAQ'S

YOUR ANSWERS TO THE MOST COMMONLY ASKED QUESTIONS

Q: HOW FAR IN ADVANCE SHOULD I BOOK?

A: The earlier the better! Most of my brides secure their date around 12-18 months in advance, especially for popular spring and summer weekends

Q: DO YOU TRAVEL?

A: Yes. I travel to your chosen venue or accommodation on your wedding morning. I'm based in Hampshire but cover the surrounding counties (and occasionally beyond!). Travel costs are calculated from my location, and I confirm everything clearly when you book.

Q: WHEN SHOULD I HAVE MY BRIDAL PREVIEW/ DESIGN APPOINTMENT?

A: Around 8-12 weeks before the wedding. By then, your dress and accessories are usually finalised and we can design your hair and makeup to complement your full look. It's a relaxed and collaborative appointment- we'll explore ideas together so you feel confident and excited for the big day.

Q: HOW LONG DOES HAIR & MAKEUP TAKE ON THE DAY?

A: For the bride, I allow 2-2.5 hours for both hair and makeup. This gives us plenty of time for calm, unhurried prep. Bridesmaids and Mums usually take around 45 minutes each. I'll always create a full morning schedule so everyone knows exactly what to expect.

Q: DO YOU CATER FOR BRIDESMAIDS AND MUMS TOO?

A: Absolutely! I love creating a cohesive look for the whole bridal party while still letting everyone's individual style shine through. Depending on numbers, I have a list of trusted artists to help me with your loved ones to make sure the morning runs smoothly.

Q: WHAT MAKES AMPERSAND ARTISTRY DIFFERENT?

A: From the moment you enquire, my focus is on helping you feel calm, confident, and truly yourself. I bring both artistry and expertise to your day, using products and skin-prep advice tailored just for you. On your wedding morning, I'm not just your artist, I'm your advocate, to ensure your day starts exactly as you dreamed.

LASTLY, A LITTLE NOTE FROM ME

SOME OF MY MOST IMPORTANT TIPS FOR YOUR WEDDING MORNING

1. GIVE YOURSELF TIME TO ENJOY IT.

The morning goes by in a flash. Make sure you give yourself time to pause, breathe, and take it all in.

2. KEEP YOUR GETTING-READY SPACE CALM.

Music, candles, or just a few deep breaths, whatever helps you feel at ease, or geared up for a great day, I'll help set the tone.

3. WEAR SOMETHING YOU LOVE WHILE GETTING READY.

A robe, pyjamas, or even a shirt that makes you feel beautiful can help set the mood for the day ahead (and looks lovely in photos!).

4. DRINK PLENTY OF WATER (ALONGSIDE THE PROSECCO).

Hydration helps your skin look its best, and keeps your energy up through the excitement.

5. DON'T STRESS THE LITTLE THINGS.

I'll be there to lend a hand with last-minute bits, from pinning buttonholes to drying flowers, so you can relax and enjoy the moment (I've done this a few times!).

6. TRUST THE PROCESS.

We've planned everything carefully. On the day, all you need to do is sit back and let yourself be the bride.
